ABOUT ME

I am Kanishk Narain Tyagi, a dedicated and results-driven professional with a Bachelor's degree in Computer Applications. My academic background has equipped me with a solid foundation in computer science and programming. Eager to contribute my skills and knowledge to dynamic projects, I am proficient in various programming languages and possess a keen interest in staying abreast of emerging technologies. A quick learner and effective team player, I am enthusiastic about leveraging my technical expertise to drive innovation and success in the field of computer applications.
